MEMORANDUM FOR: Deputy Director (Plans) - Admin

There is attached herewith a draft bill in connection with war risk hazards, which you told me you would like to review before Agency comments go forward. We have obtained a few days extension on the reply date so that you can review it. Will you please give any comments you may have to Lawrence Houston, as he has been handling this one personally, and I will not be here until 2 January 1955.
